Public Comment:

Thank you to the road crew for plowing the boat landing on highway D for parking.

The town needs to plow in front of the fire department when its snow, so Fire Department vehicles can respond to an emergency.

A bill came to the Fire Department for siding and it should have gone to the Town.

The generator for Fire Department needs to be set. The concrete slab was set out by Robert Rasmussen and Mike Murray was to get the generator set Handicapped door has been repaired.

Dave Haan reported that 911 systems was down and if people call they will be patched through to Douglas County and they will call Bayfield County and emergency response units will be paged

No further business for the board motion to adjourn meeting by Bob Dolezal  
Second by Robert Rasmussen, Motion Carried
