

## Town of Namakagon Transfer Facility for Residents

The Town of Namakagon Transfer Site and Demolition Site (25205 County Highway M) are designed to provide a safe, clean, and easy way for residents to keep their property clear of garbage, yard debris, and unwanted household items at the lowest possible cost. The goal of the program is to keep the Town clean, reduce fire hazards, and eliminate discarded items at inappropriate locations. The sites are for the use of residents and property owners only. The services provided at the sites are listed below. Certain items have additional costs to the Town which are passed on to residents.

**Demolition Materials**

Demolition materials must be waste materials resulting from construction, demolition or the razing of buildings, roads and other structures. It may NOT contain garbage, furniture, or scrap metal. All changes will be determined by landfill attendant

**Contractors and Property Managers-**

All items brought to the transfer site or the demolition site shall be from home sites or property located within the Town of Namakagon, no exceptions. It is requested that you make regular trips to the site rather than holding materials and bringing in large loads. The Town reserves the right to charge an additional fee for oversize loads as determined by the attendant.

Contractors and property managers from out of town and anyone with a DOT registered truck will be charged according to load size.

After hours: costs plus \$20.00 per hour for supervision, opening gate, or any other issue where someone has to come to the Transfer Site after hours.

**The services provided by the Town's Transfer Sites are subject to strict laws and regulations which are subject to change. The Town will make every effort to provide up-to-date information on the services provided and costs, but some changes may be put into effect without notice.**

**Transfer Site (phone): 715-794-2644
