

Forest Lodge Library

Report to Towns

11/12/2019

- Brrrr, we are grateful for our fireplace on these chill days! Happy to see the sunshine, though!
- We enjoyed being part of the action for downtown Cable's Trunk or Treat party! We had a fair number of folks in costume, kids and adults, trek through the library, either for candy, or just to warm up! We also enjoyed a visit from the costumed Cable Pre School kids earlier in the day.
- We had a dozen people show up for our MAKERSPACE: Card Stampin' Party with Deb Lippert on Saturday, 11/12 at the Cable Community Centre. It was fun and everyone got to take home a couple of cards.
- We have a holiday-themed MAKERSPACE in the works for Thursday evening, 12/12. Staff will offer ideas for a couple of quick, low-cost, last minute gifts and decorations. This will be at 6:30 at the library. All supplies will be supplied. No need to reserve a spot, just show up!
- We plan to try some "old-fashioned" entertainment on the first three Saturdays of December; all are invited to come and hear some Christmas tales read in front of the fire. There will be cocoa! From 3 until...no later than 5...Saturday the 7th, 14th and 21st.
- The library has acquired a pod-casting equipment set-up as fulfillment of a Building Strong Libraries grant request written to Bayfield County last year for 2019. We'll let you know when we figure out how to use it! If either of the Towns...or anyone you know...has expressed interest in launching a podcast, we can help!
- You can always keep track of what's happening at the library by visiting our website, forestlodgelibrary.org, following us on Facebook, or, stop and see us! We'd love to see you, at the library!
