The entire group including guest Jack discussed the situation with Bayfield County Zoning. In short Bayfield Zoning despite numerous attempts is not communicating with the Town of Namakagon. Permits have been issued without the town's knowledge, zoning regulation exceptions have been issued without town approval. Bayfield County Zoning is not responsive to or helpful to Namakagon resident's requests. As Jeff R stated Bayfield County Zoning is not doing their Job.

Larry P made a motion which recommended the Town of Namakagon Board to take all actions necessary to have Bayfield County Zoning communicate and work proactively with the Town of Namakagon and its residents including if needed establishing its own Zoning department replacing Bayfield County Zoning in order to provide the service and apply and enforce the existing ordinances for the residents of the Town of Namakagon. Jeff R seconded. All approved the motion.

The planning commission reviewed the Town of Namakagon Emergency Management Plan. With the inclusion of some names and address' it is believed the document is ready to submit to the Town Board. The final review will be at the next meeting.

Quarterly compensation checks for the planning commission members will be included in the next quarter as only one meeting was held last quarter due to virus concerns and no pressing agenda items.

The next meeting will be July 1, 2020 at 7:00 p.m. at the town hall.
