

Forest Lodge Library

Report to Towns

8/10/2021

- This Sunday, August 15th, we will be CELEBRATING our 95th + 1 Anniversary from 11-3 on library and library expansion grounds. We surely hope that you will plan to attend and celebrate with us! There will be music! Author Jeff Nania, who writes the Northern Lakes Mysteries which take place in “Musky Falls”...better known as Hayward...and Spider Lake, known as Spider Lake, will read from his work and answer questions between noon and 1. All the “talent” will be performing on the back patio. You are encouraged to bring a chair! The Book House will be open. There will be MAKERSPACE: Fitness offerings. There’ll be a scavenger hunt for kids. There’ll be a food truck here, as well, called One Night in Bangkok. If you like Thai food, this will be excellent news! We’ll also have information about the library expansion on display, as well as people on hand to answer your questions. We very much hope to see you there!
- We have gone from masks required to no masks for the vaccinated...now to masks recommended as per CDC and Bayfield County guidelines. It is surely disheartening to regress. But, as always, our priority is to try to keep people healthy.
- The Northern Waters Library System is working through an internet upgrade, moving its server from in-house to a larger server located in Eau Claire. This requires that each library individually “migrate” to the new server. Happily, IT from Northern Waters came to accomplish that on our behalf. It did require our being closed for a portion of a day. But, it’s done! This should do away with the “internet bottleneck” created by the server location in Ashland and reduce the number of times all libraries lose their internet if there’s a line break somewhere.
- As summer continues, it continues to be busy at the library! We continue to work on our fundraising campaign and will let you know when we have good news!
