- We continue to look for someone to fill our current staff vacancy. We are considering establishing and training a small but effective “volunteer force” of individuals who may be able to fill in when the need arises. Should such an opportunity be of interest, please contact Library Director Kristine Lendved at [klendved@cablenet.wislib.org](mailto:klendved@cablenet.wislib.org) or call the library, 715-798-3189.
- Any Xcel Electric customers out there? Part 2 of the SAVE TO GIVE Challenge launched on Sept 20<sup>th</sup>. Save energy, get free stuff...AND raise money for the library (via the Katie Flowers Endowment.) Learn more about it on our website: <https://forestlodgelibrary.org/2021/09/23/support-the-forest-lodge-library-by-saving-energy/>
- Fundraising efforts continue, although we are currently taking a short hiatus from our contract with Baker Street Consulting. Right now there are a number of “asks” pending. Our Board will review the issue monthly and, at present, we will hope to renew our contract when we are able to launch a public fundraising campaign.
- We look forward to participating in some way with Cable’s Halloween Trunk ‘n Treat event!
