

Town of Namakagon Transfer Facility for Residents

The Town of Namakagon Transfer Site and Demolition Site (25205 County Highway M) are designed to provide a safe, clean, and easy way for residents to keep their property clear of garbage, yard debris, and unwanted household items at the lowest possible cost. The goal of the program is to keep the Town clean, reduce fire hazards, and eliminate discarded items at inappropriate locations. The sites are for the use of residents and property owners only. The services provided at the sites are listed below. Certain items have additional costs to the Town which are passed on to residents.
