

COVID-19 Testing Increasing in Northwestern Wisconsin

National Guard Assists Northwestern Wisconsin in increasing testing for persons with COVID-19 like symptoms.

Thursday, May 7th, 2020

11 am - 7 pm

Ashland, WI

**Location: Lake Superior Primary/Lake
Superior Elementary School**

1101 Binsfield Road, Ashland

Testing will be done using a drive-through collection process. Please approach the school via Binsfield Road by entering from Highway 13. The entrance will be via the East side of the driveway only. Traffic exiting the testing site will travel West away from the school towards Beaser Ave.

People who are 5 years of age or older and are currently sick with the following symptoms are eligible for nasal swab testing:

- Fever
- Cough
- Shortness of breath
- Chills or repeated shaking with chills
- Muscle pain
- Headache
- Fatigue
- Sore throat
- Loss of taste or smell
- Vomiting or nausea

This is a test to determine if you currently have COVID-19 disease. Testing through the collection site will be free of cost and is only available to Wisconsin residents, including residents of other Wisconsin counties. The goal is to test up to 200 people throughout the day.

Additional testing sites are posted to the Western Wisconsin Public Health Readiness Consortium webpage: <http://wwphrc.org/covid-19-community-testing>
