THIS YEAR IS DIFFERENT THAN OTHER YEARS... OUR FLU CLINICS WILL BE DIFFERENT, TOO.

COVID-19 HAS CHALLENGED US TO THINK DIFFERENTLY ABOUT OUR PROGRAMS AND SERVICES.

THIS YEAR, BAYFIELD COUNTY HEALTH DEPARTMENT WILL BE OFFERING DRIVE-THROUGH FLU CLINICS TO PROTECT THE HEALTH OF OUR COMMUNITY MEMBERS AND STAFF.

## COSTS

Bayfield County Health Department accepts:  
Medicare (supplemental) / BadgerCare  
Children 6 months through 18 years of age - FREE

Self Pay:

\$30 for regular flu shot

\$60 for high dose flu shot

*Receipts given upon request.*

Please call Bayfield County Health Department at  
(715)373-6109 for more information.

# WHAT YOU NEED TO KNOW

- Please stay in your vehicle during the flu clinic unless a staff person asks you to exit the vehicle.
- Please bring your health insurance cards with you to the flu clinic. If you have supplementary insurance, please bring those cards, too.
- Please be sure to wear loosely-fitting clothing so that your upper arm is easy to be exposed.
- You will be asked to wait about 15 minutes after your flu shot to watch for any side effects. Please plan accordingly.
