

The Town of Namakagon Transfer Site and Demolition Site are designed to provide a safe, clean, and easy way for residents to keep their property clear of garbage, yard debris, and unwanted household items at the lowest possible cost. The goal of the program is to keep the Town clean, reduce fire hazards and eliminate discarded items at inappropriate locations. The sites are for the use of residents and property owners only.

**Town of Namakagon
Transfer Station
25205 County Road M
Cable, WI 54821

Demolition Materials:

Demolition materials must be waste materials resulting from construction, demolition or the razing of buildings, roads and other structures. Such material should consist only of concrete, bricks, bituminous concrete, wood glass, masonry, roofing, siding and plaster, alone or in a combination to include insulation, wiring and plumbing materials.

Contractors and Property Managers:

All items brought to the site shall be from home sites or property located within the Town of Namakagon, no exceptions! The Town reserves the right to charge an additional fee for oversize loads. Contractors and property managers from out of town and anyone with a DOT registered truck will be charged according to load size. After hours: costs plus \$20 per hour for supervision, opening gate, or any other issue where someone has to come to the Transfer Site after hours. Site operators are authorized to inspect each load during check in and unloading. Dumping unauthorized material will result in a violation fee.
