Report to Towns

- Should there be any poetry fans amongst you, you are encouraged to visit our website and review all the entries into our April 2022 Poetry Challenge! Those chosen by our judges won a Redbery Books gift certificate. All other entries will get a coupon from The Velo Café for an ice cream cone...once the Big Dipper opens for the summer. <https://forestlodgelibrary.org/2022/05/05/april-poetry-challenge-poems/>
- As reported at the Annual Meeting(s) Director Lendved was interviewed by Deneen Smith of Wisconsin Public Radio for what will eventually be a “spot” on the Wisconsin Life program. She took lots of photos as there will be an accompanying “article” on the WPR website when the piece airs, which she’ll let us know when...and we’ll certainly share that information with our communities!
- A grant proposal sent to a major foundation (with local ties) will be on a board agenda for discussion this Friday the 13th. Please keep your fingers crossed for us! Whatever answer we get to this proposal will help us determine how best to move forward with fundraising for our library expansion project.
- Keep track of what we’re up to be following us on Facebook or visiting our website: forestlodgelibrary.org.
