

Forest Lodge Library  
Report to Towns  
2/15/2023

- The Board continues to work on a revision of space requirements for our library expansion project. Next step is confirming an updated assessment to Keller Builds, the construction management firm we have been working with. We will then receive from them an amended floorplan and estimated fudget. We will keep you posted as we reassess.
- The virtual Mini Book Writing Bootcamp we offered on 1/14, which focused on creating and marketing a manuscript was very well received. February's session, on 2/16, focusing on working on Juvenile and Young Adult literature is expected to be just as useful AND entertaining.
- February does not just include Valentine's Day, it's LOVE YOUR LIBRARY month! We have a couple of contests going on. Anyone (excepting library staff or Board members) can play...and win \$10 in Chamber Bucks! One is tied TO Valentine's Day, inviting participants to identify their favorite "love story" in fiction. (ends on 2/18) The other contest asks patrons to tell us why they love the Forest Lodge Library! Ends on 2/28. You can respond on Facebook, email us, give us a call...or stop on in!
- Director Lendved just wrapped up the Annual Report which is required by and submitted to the WI Dept of Instruction. You may expect her to share some user statistics with you in April as part of the Towns' Annual Meetings.
