

Report to Towns
9/12/2023

- It's been on the list of things to do for a very long time, and, at last it is happening! Our front steps are in the process of being reconstructed. The old ones were rather falling apart and certainly not sized to accommodate the modern foot! The old steps were torn out on Monday and will be replaced as soon as the weather will allow. The Cable Natural History Museum, who arranged for and is overseeing the work, further advised that a metal banister will be fabricated and installed as soon as possible.
- The Director Search Committee has been conducting candidate interviews and hopes to make a decision this week on who to offer the position to. End dates for the current director and start dates for the new one are still undetermined. We'll keep you posted!
- On Thursday, Oct. 5th, at 3:00 at the CCC the library will offer MAKERSPACE: Audition, an opportunity to see how the pros audition for stage or movie work. Rosina Reynolds, theater professional, will offer this workshop. C'mon and give it a try...or just watch. We'll have the scripts available. You won't be expected to prepare an audition piece!
- No firm date yet on any current Director Farewell activities, but, we'll keep you posted!
