- The Director Search is...ongoing. We'll keep you posted.
- If you've driven by you've noted that the new front stairs are complete! While there are those who bemoan the loss of the historical steps, there isn't anyone complaining about how much safer and more stable the new ones are!
- We have a MAKERSPACE: SMART MOVES event coming up early in November. This session, lead by Sarah Boles, will feature rhythmic, adaptive movement that will support balance, strength and joint fluidity and is suitable for people of all ages and mobilities. That will be from 10 a.m. until noon on Thursday, Nov. 2<sup>nd</sup>, at the Cable Community Centre.
- Keep track of all we're up to by following us on Facebook, visiting our website, [forestlodgelibrary.org](http://forestlodgelibrary.org)...or stop in, anytime. We're always happy to see you at the library!
