

Report to Towns

1/9/2024

- The big news is that we DO have a new library director! Her name is Amanda Westlund and she just started this week. Amanda is a now former educator, most recently having worked at the school in Mellen. She and her family live in Mason. She just got started this week and looks forward to serving the patrons of the Forest Lodge Library! C'mon in and meet her sometime, or...
- ...plan to attend a Farewell/Welcome Event at The Lakewoods on Saturday, 1/27/2024. It's an opportunity to say farewell to departing director Kristine Lendved and to meet Amanda. It is scheduled for 1-4, with a short program happening at 2:30. We would love to see you there!
- In other news, the Katie Flowers Endowment can report that their end-of-year mailing actually DID get them to "Half-way by New Year's Eve" (or shortly thereafter.) Stay tuned for new of an upcoming public capital campaign.
- And....this being Director Lendved...my farewells and thanks to all of you and for the support our Towns have shown to the Forest Lodge Library during my tenure. Thanks...and...hope you keep it up!
