

Forest Lodge Library Report

September 2024

Library Expansion Update:

The Forest Lodge Library Board of Trustees did approve a schematic plan at the August FLL board meeting. The FLL board; Amanda Westlund, library director; and Tom Westlund, of Westlund Consultancy will be presenting this plan, along with the results of the Spring Community Input Survey on **September 19th**. **There will be a 4pm presentation that day at the Namakagon Town Hall and again at 6pm that day at the Cable Community Center.** Light snacks will be available. All are encouraged to attend.

The Book House has been cleared out of its contents and is ready for Dave Popelka when he is able to move the house, which is expected to happen in mid-September.

The house move will be broadcast on the Forest Lodge Library facebook page and AirFox Photography is also possibly going to film the event as well.

Donations are still being accepted in person at the library and online at our website. Thanks for all of the support!
