

Forest Lodge Library – Town Report for Cable and Namakagon - March 2026

New Library Building Update...

Exciting progress continues to happen inside the new building.

Currently, the lighting, paint, flooring, and doors have all been installed.

The Interior Design Committee has been able to meet with our FEH representative and discuss furniture needs. The library board will be meeting and discussing our furniture options this month. We are hopeful to be able to proceed soon with putting the FF&E out for bid.
